Independence Day
“Share the Bounty”

It’s that time again! Summer is just around the corner and preparations are underway for our unique neighborhood celebration! This year’s theme is Share the Bounty and the Grand Marshals are Deborah and John Low. The parade will assemble at 10AM at Thornhill and Huckleberry, and will step off promptly at 10:30AM. Our annual picnic will once again be in Fleeman’s Meadow, immediately following the parade. If you are planning to include a horse in the parade, please pay special attention to the insurance documents included in this newsletter. You must submit them in a timely manner in order to be eligible to participate. We would hate for anyone to be excluded at the last minute for paperwork problems! To volunteer or for further information, contact Suzanne Bailey 818-222-7663.

Raffle Requests!

John and Jane Cudworth are once again offering their services to organize a raffle at the picnic. If you have any goods or services to offer, please be kind enough to contact them (818-222-7225) so that they can get the item card printed up and determine the amount of space needed. Homemade items are always great, along with collectibles, gift certificates and services. The money raised helps to not only sponsor the event but supports the community financially. Items may be dropped off at their home (1031 Meadows End) prior to the 4th or simply brought to the meadow that day, as long as they’ve been told what they are so they can make an item card.

!!Attention July 4 Parade Equestrians!!

All equestrians participating in the MNVCA 4th of July Parade with a horse, pony or donkey are covered by insurance provided to MNVCA by Equestrian Trails, Inc., Corral 36. No equestrian may participate in the parade with an animal without first signing the WAIVER & RELEASE FOR EQUESTRIAN TRAILS, INC., ACTIVITIES, found in this newsletter. Please complete and return this waiver & release to Stephanie Abronson prior to July 4th. Reach Stephanie via email: Stephanie@abronson.com or leave a telephone message at 818-222-7669. Parents of children participating with a horse, pony, or donkey in the parade must sign the waiver-release form before their children can participate in the parade. Members of the USEF (United States Equestrian Federation) are exempt from purchasing a one-day single event membership for Equestrian Trails, Inc., but must provide a copy of their current membership card. If you are not a current member of Equestrian Trails, Inc., or the USEF, you must purchase ahead of time a one-day single event membership at a cost of $5.00 per adult or child or $7.00 for a family up to 4 persons. We will greatly appreciate your forethought to getting this paperwork done before July 4th. It’s really tough to tell a child that they may not participate in our wonderful parade because mommy or daddy didn’t get the paperwork done!

Community Wildfire Protection Plan

Kathy Kirkpatrick, Fire Management Officer for the Santa Monica Mountains NRA, will attend the MNVCA Board Meeting on June 9 to help us learn about how to develop a Community Wildfire Protection Plan (CWPP), grants available for CWPP projects, and efforts underway in our area. The agenda will include: Fire in the Santa Monica Mountains How Homes Get Destroyed and Reasons to Work “From the House Out” LA County Requirements, Home Assessments, and Fire Hazard Reduction, Ecological Considerations, Purpose and Process of Developing a CWPP, Fire Safe Councils and Grants, Steps to Get Started. Please join us for an informative evening.

In Appreciation

The Board wishes to express its gratitude to Marianne Cilluffo for publishing the 2009 edition of the neighborhood directory. This is a serious undertaking and time intensive task, and Marianne’s efforts are greatly appreciated. Additional thanks to Nancy Pope for the donation from the arts and crafts fair held at her home earlier this year. The Board is grateful to Nancy and the other vendors for their support for the MNVCA community.

Malibu Creek State Park on Endangered List!

The state is currently planning to close over 220 parks as part of the budget cuts. Malibu Creek is on the closure list! To see a full list of parks on the closure list, visit http://www.parks.ca.gov/?page_id=712. If you wish to voice support for keeping the park open, you are encouraged to call State Senator Fran Pavly (310) 314-5214 and Assemblywoman Julia Brownley, (818) 596-4141. The California State Parks Foundation is mounting a campaign to oppose the park closures and has information as well as a petition you can sign at the following site: http://www.calparks.org/takeaction/. Their site also contains a list of the parks proposed for closure broken down by county, state assembly member, and state senator, so you call the politicians responsible for the districts in which any of your other favorite parks are located.

WAIVER & RELEASE
FOR EQUESTRIAN TRAILS, INC., ACTIVITIES
This Is A Waiver of Your Legal Rights, And An Agreement Not To Sue
Serious Injury Or Death May Result From Riding Or Being Near Horses

1. Participant's Name (print):________________________________________________
Address:________________________________ City:________________ State:_____
Telephone: (____)______________ ETI Member______ If Yes, Corral #:_____

2. Liability Release.

In consideration for Equestrian Trials, Inc. ("ETI") allowing me or my child to voluntarily
participate in its activities, I agree as follows:

a. This agreement, waiver and release applies to ETI and to ETI's affiliated Corrals, committees, employees, predecessors,
successors, attorneys, insurers, members and volunteers who are working in the course and scope of their duties on behalf of
ETI, including its affiliated Corrals, at the time of occurrence of any act or omission which is later alleged to be a cause or
contribution to a claim for injury, damages or death ("Released Parties");
b. I forever release, hold harmless and indemnify Released Parties from liability for any and all claims, demands, causes of
action, damages, injuries or death to me, my minor children, my horse and my property, and legal liability of every nature,
including the negligent acts or omissions of any Released Parties, whether known or unknown, anticipated or unanticipated,
direct or indirect, arising out of participation in the past, present or future ETI activities (including equestrian activities, such
as the riding, use of, or being near, horses, whether at an arena, stable or on a trail ride in association with ETI) and I assume
all risks of injury or death as set forth in this release;
c. I shall not bring any lawsuit, action or proceeding against any Released Parties, even if they engage in negligent conduct; and
d. I make this agreement, waiver and release for and on behalf of myself, my spouse, my child and/or ward, heirs,
administrators, successors, representatives and assigns.

3. Activity Risk.

I understand that some ETI activities take place in isolated or wilderness areas over rough terrain, and/or trails of unknown
condition, and others take place on land or in facilities owned and managed by others from whom such land or facilities are borrowed
or rented. I understand that the organizers, workers and members involved in ETI activities are not professionals in the horse industry,
or in the planning or conducting of trips or camping events, or in other areas of expertise involved in ETI activities. I also understand
that horseback riding is a rugged adventure, recreational sport activity. I am aware that
there are numerous obvious and non-obvious inherent risks of serious injury or death, or property damage, to me or my horse, which are always present in ETI activities, on or near horses. I understand that pregnant women are specifically advised not to ride horses. I understand that ETI is a non-profit club of
private individuals who have come together to support and enjoy recreation-oriented activities.

I understand that no horse is completely safe, and the Released Parties make no representations or guarantees regarding the
safety, training or suitability of any horse. Horses are 5 to 15 times larger, 20 to 40 times more powerful, and 3 to 4 times faster than a
human. If I fall from a horse to the ground, it will generally be at a distance of 4 to 6 feet, and the impact will injure me. A horse may
divert from its training and act according to its natural survival instincts and may abruptly change directions or speed, trip, slip, fall,
stop short, shift its weight, buck, rear, kick, bite, spook, or run from what it perceives to be danger if it is frightened or provoked, or
for no reason whatsoever.

(1 OF 2)
5. **Conditions of Nature & Locations.**

I agree that the Released Parties are not responsible for acts, occurrences or elements of nature or a particular location that can injure a person or scare a horse, cause it to trip, fall or react in some other manner. These elements include thunder, lightening, rain, wind, wild and domestic animals, insects, other people and horses, and reptiles which may walk, run, fly near, bite and/or sting a horse or person, irregular footing on groomed or wild land which is subject to constant change according to weather, temperature, natural and man-made objects. The Released Parties have not inspected, and make no representations or warranties concerning the safety or condition of, any trail, camping site, arena and/or other location of ETI events.

6. **Helmet Warning.**

I am aware that protective head gear which meets or exceeds the quality standards of the SEI certified and ASTM standard F1163 equestrian helmet, should be purchased and worn by me and/or my child while riding and being near horses, and the wearing of such helmet may reduce the severity of some head injuries and may prevent my serious injury or death as a result of a fall or other occurrence. If my minor child or I do not wear a helmet, it is because we so choose.

I HAVE READ, UNDERSTOOD AND VOLUNTARILY AGREE TO THIS TWO-PAGE WAIVER & RELEASE. I FURTHER AGREE THAT NO ORAL STATEMENTS, REPRESENTATIONS OR INDUCEMENTS APART FROM THIS WRITTEN AGREEMENT HAVE BEEN MADE TO ME TO OBTAIN MY CONSENT.
